Zebra Tape

Description:

Diagonally striped hazard warning tape used to mark out areas and avoid hazards.

Size:

Available as

0.07x50M Red/White or Black/Yellow

0.07x100M Red/White

0.07x250M Red/White

0.07x500M Red/White or Black/Yellow

Materials:

Polyethylene

Instructions For Use:

Tie one end of the roll to a suitable starting securing point. Unwind the roll as required to mark out the required area. Use additional securing points where needed. When the area is marked out, cut the tape and tie the to an end securing point.

Limitations Of Use:

Zebra Tape is for visual demarcation only and should not be used where a physical safety barrier is required.
