End of Life of Tag-it HF-I Inlay Products
Product Withdrawal/Discontinuance Notification**

Date: 6/19/2015
To: Newark/Farnell PCN

Dear Customer:

Because you have purchased one or more of the products listed on the attachment during the past twenty-four (24) months, we would like to know if you have any continuing requirements for them in the future. We would appreciate your advising us of any such requirements and estimated quantities needed as soon as possible.

In an attempt to satisfy any continuing requirements you may have, TI is offering a non-cancelable lifetime buy for a number of the product. Related dates are included on the attachment. We will contact you as soon as we have completed our review of all customer responses to determine the appropriate course of action required to satisfy your needs for this/these products.

This notification period is per TI's standard process. Customers with previously negotiated, special requirements will be handled separately. Any inquiries should be directed to your local Field Sales Representative.

If you require additional supply beyond the dates defined in this letter, please contact your local Field Sales Representative to determine if the parts may be available from a TI-authorized distributor for discontinued products. There is no guarantee of continued supply for these products.

For questions regarding this notice, contact your local Field Sales Representative or the PCN Manager (PCN_ww_admin_team@list.ti.com).

Sincerely,

PCN Team

Product Withdrawal/Discontinuance Notification Details

Description of Withdrawal/Discontinuance:

Texas Instruments, Incorporated (TI) is announcing the withdrawal of Tag-it HF-I Inlay products. A lifetime buy is being offered with the date given above.

The Tag-it HF-I dies will remain active so 3rd party inlay manufacturers can continue to produce inlays based on the Tag-it HF-I die. This will ensure continuity of supply to customers who have bought these inlay products produced from TI after the TI inlays are withdrawn from the market.

Below is a selection of 3rd party inlay manufacturers who are building inlays based on Tag-it HF-I die. Replacements may be recommended for most devices as shown in the Product Affected Section. Please contact the 3rd party representatives below directly for assistance in identifying inlay replacements where applicable.
