Please be informed that the data shown in this PDF document is generated from our online catalog. Please find the complete data in the user documentation. Our general terms of use for downloads are valid.

Component terminal block, nom. voltage: 630 V, nominal current: 32 A, number of connections: 4, connection method: Screw connection, 1 level, Rated cross section: 4 mm², cross section: 0.2 mm² - 6 mm², mounting type: NS 35/7,5, NS 35/15, NS 32, color: gray

Your advantages

- · The four-conductor connection enables user-friendly wiring
- A voltage signal pick-off can be implemented in the measuring line using this terminal block, enabling the signal to be used as an analog signal for process computers
- The constant circuits common in process automation transmit the measured values as a load-independent current of 0 20 mA
- The lower level is assigned to the measuring line while the upper level is used for voltage pick-off via the 5.1 kOhm resistor

Commercial data

Item number	2776032
Packing unit	50 pc
Minimum order quantity	50 pc
Sales key	BE12
Product key	BE1273
GTIN	4055626165738
Weight per piece (including packing)	15.076 g
Weight per piece (excluding packing)	15 g
Customs tariff number	85369010
Country of origin	PL
