Docking Connectors

**.050 [1.27] Thru-Hole
Connectors (CHAMP)**
(Continued)

200 Position, Vertical Plugs with Retention Legs

Description	Solder Tail Length	Part Number
With ground plate without guide pins, sequenced	.146	788451-1
	3.70	
With ground plate and guide pins, sequenced	.125	787851-2
	3.18	
With ground plate and guide pins, sequenced	.146	787886-1
	3.70	
With ground plate and guide pins, sequenced	.098	787887-1
	2.50	

**.050 [1.27] Thru-Hole
Connectors**

240 Position, Right Angle Receptacles with Retention Legs
Part No. 4-11258-2

Material and Finish:

- Housing** - Liquid Crystal Polymer
- Contacts** - Copper alloy, plated gold on contact area; tin-lead on solder tail area; all over nickel underplate
- Tine Plate** - Liquid Crystal Polymer
- Shell** - Steel, plated nickel
- Retention Leg** - Brass, plated tin-lead
- Guide Socket and Pins** - Brass, plated nickel
- Ground Plate** - Stainless steel
