Your advantages

- The markers, which are supplied in uniform sheets, can be marked quickly, easily, and inexpensively

- The US-EML ... UniSheet marking ranges provide markers for identification of equipment in controller, system, and control cabinet building

- The pre-punched labels are easy to separate and can be easily attached

- The sheets provide space for including function descriptions in the project fields

- When used in conjunction with high-quality ink ribbons, they result in a highly resistant form of labeling that is suitable for harsh environments

- A wide range of marker sizes and colors are available for custom designs
