July 5th, 2018

Dear Valued Customer:

MaxLinear Inc. and Exar Corporation have completed their acquisition and the resulting transition. As of July 1st, 2018, Exar will operate under the MaxLinear umbrella for trading activities. This means that all relevant information pertaining to transactions (addresses, corporate entity names, et cetera) will be under MaxLinear. However, this will not affect the existing legal or corporate status of Exar and we will continue to provide you with the high-quality products and services that you have come to expect from Exar.

Your satisfaction is our top priority, and we will be relying on your feedback as we complete the integration.

For more information regarding the transaction, please contact us at customersupport@maxlinear.com

We value your business and look forward to building upon our relationship under MaxLinear.

Sincerely,
