

ERSA 80 S

Art.Nr.: 0085JD

EAN:
4003008069471

Suitable Soldering tip:
· 82

ERSA 80 S

Technical data

Power rating (Watt):	80
Supply (Volt):	230
Preheating time in seconds:	180
Max Temperature in °C:	410
Design Lötspitze:	
Coating Tip:	ERSADUR Long Life tip
Antistatic design:	No
Shape of soldering tip:	nickel-plated
Soldering tip diameter / width, mm:	4,2
Soldering / Desoldering tip:	82
Replacement heating element:	E008100
